

## **SUPERLINER PASSENGER CAR MAINTENANCE INSTRUCTIONS**

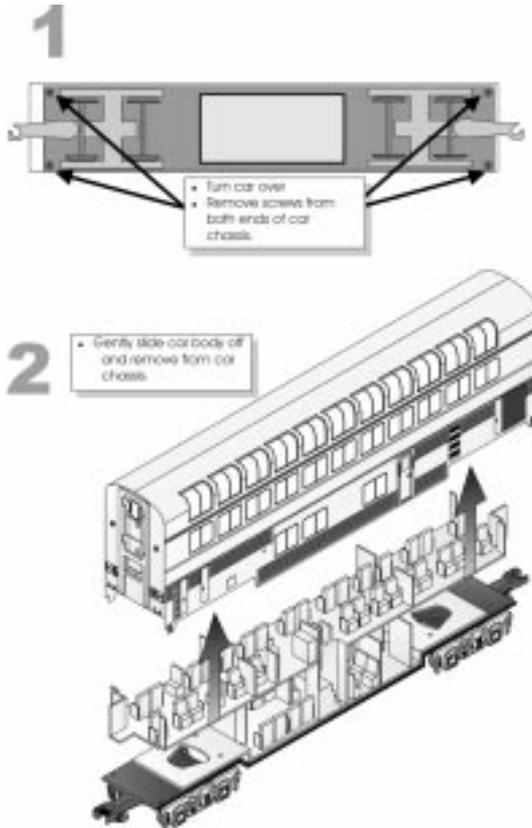

Thank you for purchasing the RailKing® Superliner Passenger Set. The cars's durable ABS body and die-cast trucks are traditionally sized for operation on any O-31 Gauge track. The unit should operate for years with any AC transformer and is completely compatible with most 3-rail locomotives, rolling stock and accessories.

RAILKING

# BASIC OPERATION & MAINTENANCE

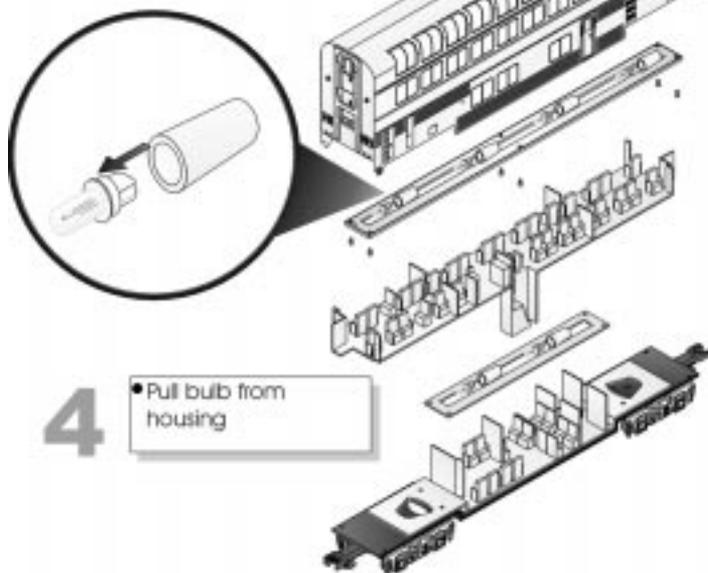

The RailKing Superliner cars are easy to operate and feature mechanical operating couplers for realistic uncoupling operation and lighted interiors with overhead illumination. Before operation, the pickup rollers and axles (where they meet the bronze bushings) should be lubricated with light household oil to ensure smooth, consistent electrical contact with a minimum of light flickering inside the car. Should the lights flicker during operation, the likely cause is insufficient lubrication on the pickup rollers. To lubricate, simply place a drop or two of light household oil on either side of the pickup bracket where the pickup roller is attached.

Occasionally, the lights inside the car may need to be replaced. To replace the lamps follow the disassembly instructions on the following illustrations. Replacement lamps can be obtained directly through MTH Electric Trains, 7020 Columbia Gateway Drive, Columbia, MD 21046-1532.

3

- Remove screws holding lighting assembly in place to gain access to

4

- Pull bulb from housing

5

- To replace bulb, simply fit a new bulb in the area left by the old one.
- Reassemble lighting assembly and car body

# SERVICE & WARRANTY INFORMATION

## HOW TO GET SERVICE UNDER THE TERMS OF THE LIMITED ONE YEAR WARRANTY

For warranty repair, do not return your product to the place of purchase unless it was purchased from Mike's Train House in Columbia, MD. Instead, follow the instructions below to obtain warranty service as our dealer network is not prepared to service the product under the terms of this warranty.

1. First, write, call or FAX MTH Electric Trains, 7020 Columbia Gateway Drive, Columbia, MD 21046, 410-381-2580 (FAX No. 410-381-6122), stating when it was purchased and what seems to be the problem. You will be given a return authorization number to assure that your merchandise will be properly handled upon its receipt.
2. CAUTION: Make sure the product is packed in its original factory packaging including its foam and plastic wrapping material so as to prevent damage to the merchandise. The shipment must be prepaid and we recommend that it be insured. *A cover letter, including your name, address, daytime phone number, Return Authorization number, a copy of your sales receipt and a full description of the problem, must be included to facilitate the repairs. Please include the description regardless of whether you discussed the problem with one of our service technicians when contacting MTH for your Return Authorization number.*
3. Please make sure you have followed the instructions carefully before returning any merchandise for service.

## LIMITED ONE YEAR WARRANTY

This item is warranted for one year from the date of purchase against defects in material or workmanship. We will repair or replace (at our option) the defective part without charge for parts or labor, if the item is returned to the address below within one year of the original date of purchase. This warranty does not cover items that have been abused or damaged by careless handling, light bulbs or traction tires. Transportation costs incurred by the customer are not covered under this warranty.

This warranty gives you specific legal rights and you may have other rights which vary from state to state.
